Dear Ms. Morris:

The Ministry of Education has been advised by Regional Director for Humanitarian Affairs Asia, Ms. Janice Leong to contact you with regards to our wish to continue to offer support for the 4th University Scholars Leadership Symposium, a most worthy project which will help to further the education of young people, especially those outstanding college or university youth that have demonstrated exceptional talent.

We would like to assure you that we will be forwarding to all universities and colleges throughout Taiwan, the information you have provided about the 2014 University Scholars Leadership Symposium, in addition to encouraging outstanding college and university students from Taiwan to participate.

In closing, I would like to wish you a very happy New Year.

Sincerely,

Tony W.T. Lin
Director General
